Chocolate & Cream & Delight

INTRODUCTION

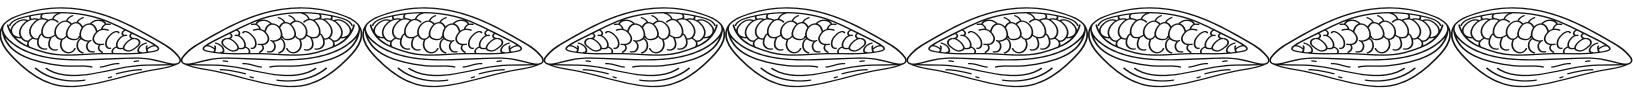

Viora Food, founded in Gaziantep in 2026, is an international food producer that combines traditional flavors with modern production technologies to offer its products to the global market. Since its inception, our company has prioritized quality, hygiene, and customer satisfaction, producing a wide range of products including baklava, chocolate, chocolate dragees, filled chocolates, pistachio butter, hazelnut butter, and all types of spreads and creams.

In our modern production facility, we utilize state-of-the-art machinery and production processes that comply with food safety standards.

Our products are prepared with first-class raw materials and carefully selected natural ingredients. All stages, from production to packaging, are meticulously controlled to ensure international standards in both taste and quality.

Inspired by traditional Gaziantep flavors, our products are now exported to many countries around the world, appealing to the tastes of diverse cultures. Viora Food successfully represents the Turkish food sector internationally by leveraging its local production capabilities for the global market.

OUR VISION

To become a leading brand in the global market with natural, innovative and high-quality chocolate products; to represent Gaziantep's unique flavor heritage at international standards, and to offer consumers a reliable, sustainable and superior chocolate experience.

OUR MISSION

Based on naturalness, quality and innovation; to offer chocolates and creams produced with additive-free ingredients to the world market, and to provide consumers with a reliable, healthy and superior taste experience in every bite.

OUR CORPORATE VALUES

- ✓ Naturalness and Purity,
- ✓ Quality and Trust,
